Student Volunteer Opportunity

Location: Benton, Kentucky

Duration: Beginning at the end of the 2015 spring semester, and concluding at the beginning of the 2015 fall semester.

This is a volunteer opportunity with housing provided. There is no reimbursement for living expenses.

Duties: Daily duties will vary and can include, but are not limited to: grounds and facility maintenance, boundary line maintenance, construction, assisting staff with day-to-day activities, assisting with environmental education programs, and migratory songbird banding. Depending on experience and ability, this position may allow for other duties such as GIS and mapping.

Qualifications:

- Student must be in good standing with the University.
- Have a cumulative GPA of 2.8 or higher.
- Hold a valid state driver's license.
- Be willing to work outdoors under extreme summertime conditions (high temperatures and humidity, insects, etc.).

Desired Attributes for the Position: good people skills, leadership qualities, good communication skills both verbally and written, good computer skills, desire to work in a wildlife related field upon graduation, attention to detail, and most importantly a good work ethic.

How to apply: Send a resume, cover letter, and letter of good standing to the Clarks River National Wildlife Refuge office **between March 15 and April 1, 2015.**

Mail: Clarks River National Wildlife Refuge
